A dear friend, that now has passed on, Bob was the consummate mentor in his matchless passion for painting. A sign painter by trade, painting pictures was his retreat. He read Bible Scripture for hours and painted long into the night. He is missed very much. But his legacy and personality continue on through his artwork.

More of Bob Sandstrom's amazing paintings. A Merchant Marine in his youth, Bob, loved the sea. His dream was to move back to Maine so he could spend his days outside painting harbor scenes. His painting below of "A Perfect Day," is his self portrait depicting his most coveted desire. Always smiling and finding humor in the moment Bob was an inspiration and a very special friend.

18 x 24 \$90.

**BP-36 Elusive Sailfish**  
24 x 36 \$120.

## Giclee Prints - Don Renner

**DP-1 Chasing Seagulls**

**23 x 30 \$96.**

**DP-5 Discovery**

**22 x 30 \$92.**

Charles Dickens said, “there are only two styles of portrait painting: the serious and the smirk.” Don Renner was very serious about his portraits and more of a formal painter. He never even drew on the canvas. He took even the method of painting seriously using only paint to sketch from a photo or live model. Another master of lighting, I find myself starting at his paintings deeply because he used paint so thoughtfully to make his images come alive. Every stroke mattered.

Don was a true professional, selling his portraits for \$10,000. or more. We love some of the work he did for us of children and sceneries. Just really wonderful stuff.

**DP-66 Playing In Sand**

**22 x 30 92.**

**DP-36 Shell Collector**

**22 x 30 \$92.**

## Giclee Prints - Don Renner

**DP-30 Curiosity**  
24 x 30 \$92.

**DP-47 All Naturale**  
22 x 30 92.

**DP-58 Scooping Water**  
22 x 30 92.

The way Don captured meaning in his paintings is part of the allure of his work. These images are great for a pediatric unit where children can relate to moments of exploring and playing on the beach. I love the highlights that make them look so real.

**DP-20 The Heron**  
22 x 30 \$92.

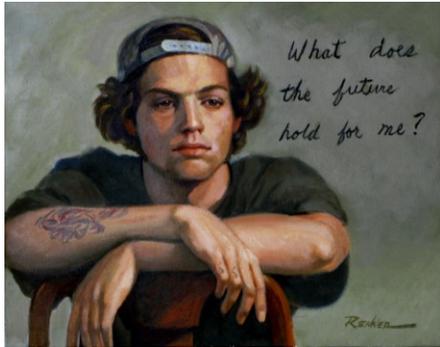

**DP-35 Sand Toys**  
22 x 30 \$92.

**DP-34 The Shell**  
22 x 30 \$92.

## Prints - Don Renner

**DP-31 Our Next Generation**  
23 x 30 \$96.

Whether working in oils or watercolors, or creating a portrait or a scenery, Don could finesse his brushes and paint to bring life to a canvas. I love his style.

## Prints - Doug Atwell

**DAP-17 Come To Grandpas**  
23 x 30 \$96.

23 x 24 \$77.

**DAP-5 Grazing Before the Storm**  
23 x 30 \$96.

**DAP-19 Breezy Ball**  
20 x 38 \$106.

The paintings of Doug Atwell have so much frivolity and snazz to them. When Doug paints clouds they appear to be dancing in the sky. The leaves on his trees seem to be rustling. Water in a brook appears to be flowing. He captures the essence of things in a way that I find to be totally engaging. Doug's unique style gives the mind something to ponder as you are lured in with wonderful depth and imagination. I'm a big fan of Doug's paintings.
